

## PKU Picnic and Participation in the 13<sup>th</sup> Annual Stroll for Strong Kids

To: PKU Patients, Families and Friends

The Golisano Childrens Hospital Clinic of Inherited Metabolic & Genetic Disorders and the Upstate Chapter of MACPAD will again be participating in the Stroll for Strong kids and holding a PKU Awareness picnic on May 30, 2009. The money raised by our group will support the kids and families dealing with PKU. All individuals with PKU, their family, their friends and anyone else who would like to come is invited to walk as a group to help us raise money and take part in a PKU friendly picnic.

*When:* Saturday, May 30, 2009 from 9am - 3pm  
*Where:* Genessee Valley Park  
Rochester, NY 14611

### Stay tuned for more details!
